The Honorable Edgardo Ramos
United States District Judge
Southern District of New York

New York, New York 10007

Re: *United States v. Ahmed Mohammed El Gammal*, 15 Cr. 588 (ER)

Dear Judge Ramos,

The Government writes to respectfully request a six-day extension of the December 29, 2020 deadline set by the Court to respond to defendant Ahmed Mohammed El Gammal's request for compassionate release (*see* Dkt. 240). The Government has contacted counsel at the Bureau of Prisons ("BOP") to obtain (1) El Gammal's BOP medical records, and (2) information regarding whether El Gammal has exhausted his administrative remedies within the BOP. This information – which the Government has not yet received – is directly relevant to the substance of the Government's response to El Gammal's motion. Accordingly, the Government respectfully requests a brief extension of its deadline so that it can receive and review El Gammal's medical records, obtain information regarding whether he has exhausted his administrative remedies within the BOP, and prepare a more informed response to El Gammal's motion by January 4, 2021. The Government contacted defense counsel earlier this evening to ascertain his position regarding this request and understandably has not yet received a response. Nonetheless, the Government is respectfully submitting its application for the Court's consideration this evening in light of the approaching holiday.

The Government's request is granted. The Government's deadline to respond to Gammal's motion for compassionate release is hereby extended to January 4, 2021. The Clerk of Court is respectfully directed to terminate the motion. Doc. 241.

So ordered.
